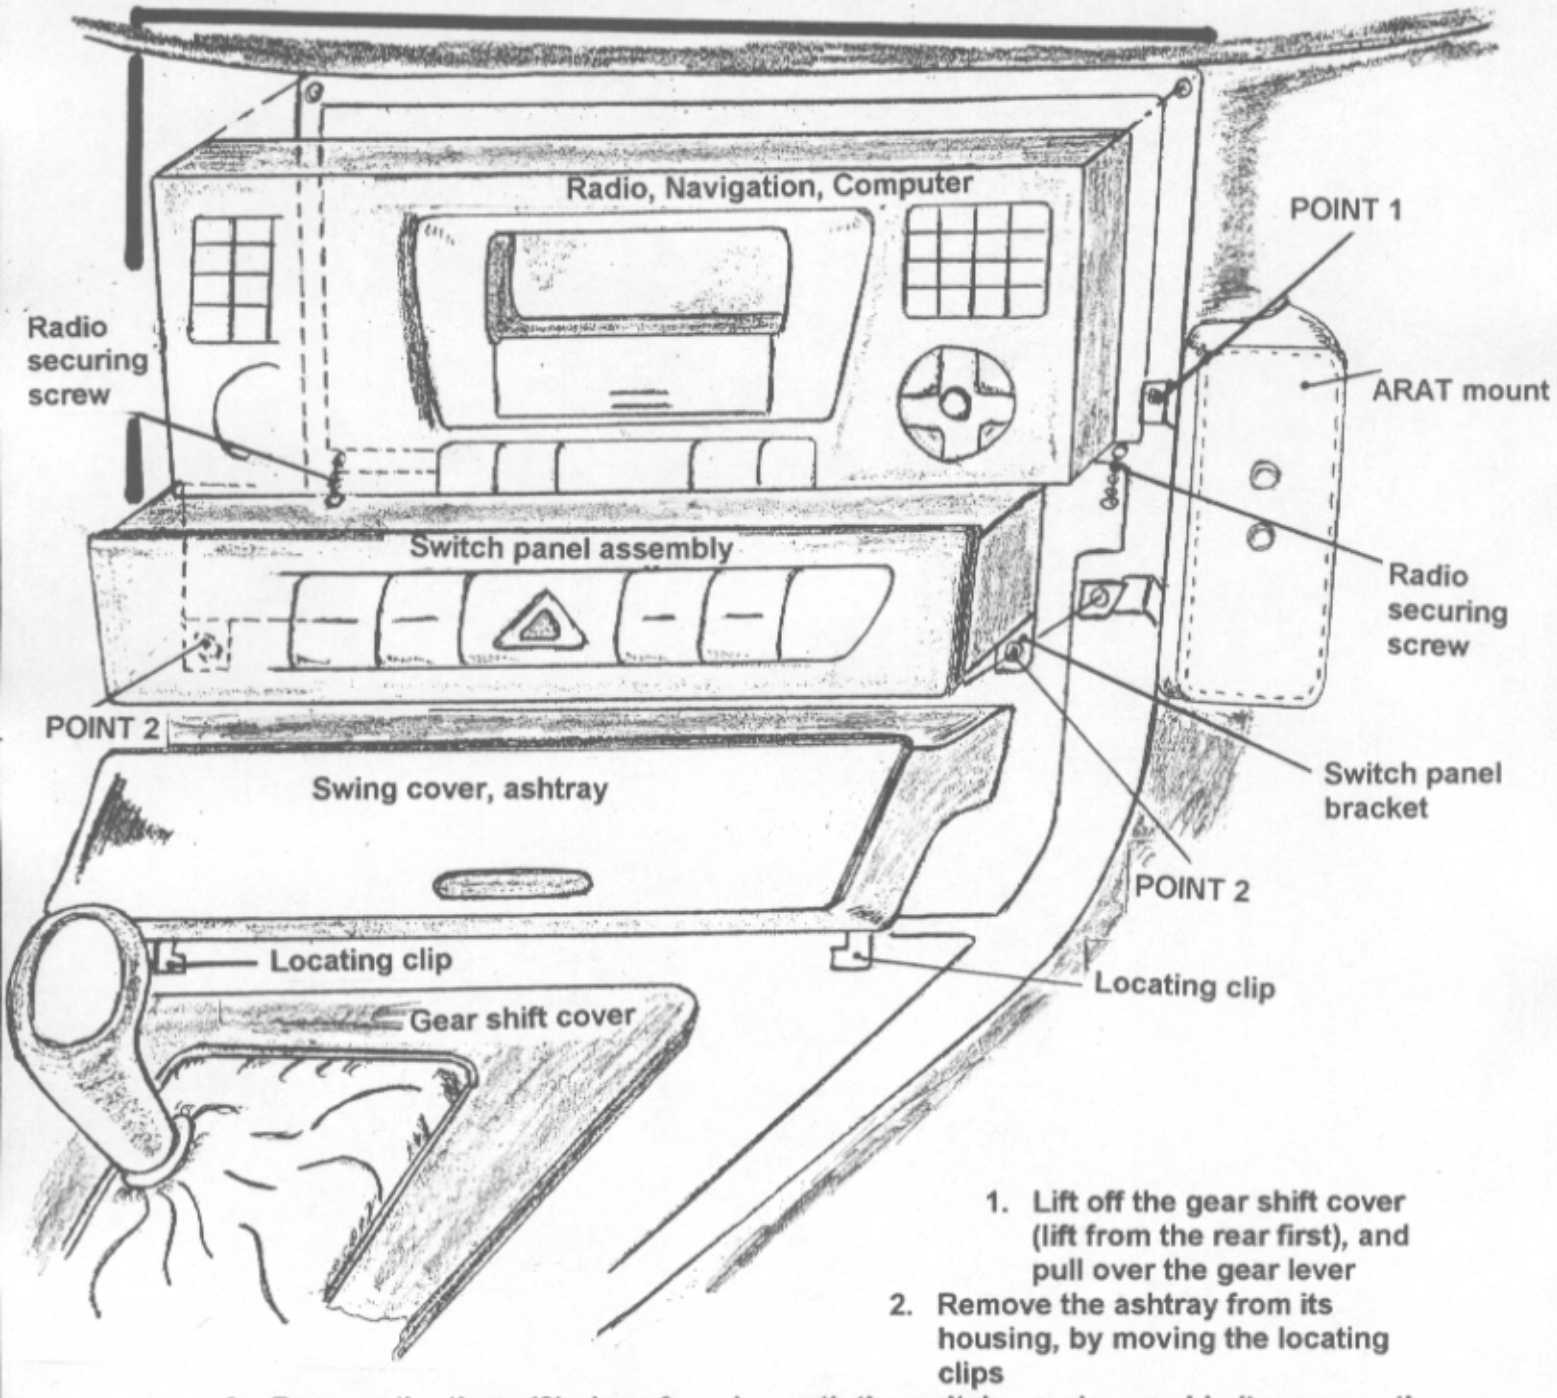
ARAT GmbH
Spezialhalterungen
für Autotelefone u.-Navigationssysteme



1. Lift off the gear shift cover (lift from the rear first), and pull over the gear lever
2. Remove the ashtray from its housing, by moving the locating clips
3. Remove the three (3) plugs from beneath the switch panel assembly (to remove the middle plug you must push the small metal clip beneath this plug downwards) remove the screws at POINT 2, and slide the switch panel assembly out of ist housing
4. Remove both radio securing screws, and slide the radio/navi/assembly from its housing, remove the screw at POINT 1, place the ARAT mount to the contours of the dashboard, secure the mount with this screw through the top metal bracket
5. Replace the radio/navi assembly, and the screw removed previously at POINT 2 through the bottom metal bracket, replace the ashtray and gear shift cover in reverse order
